

Give It Up

Bobby Womack

Baby, what it is
That make you so dissatisfied?
Been an only child
I guess you had it too easy all your life

Girl, I'm tryin' to understand
If our love have a chance
Girl you're standin' on your own
Are you sure I'm what you want?

Baby, my heart is reachin' out
Reachin' out for your love
Reachin' out for your love
And my mind just can't keep on reachin', girl
Unless you give it up (give it up)

Mercedes Benz
Honey, I'll buy you jewelry 'til the end
That's how strong my love is
Just like the hurricane wind

Try my best to do
Anything you want me to
But the more I seem to do
The more I seem to lose

Baby, my heart is reachin' out
Reachin' out for your love
Reachin' out for your love
Oh, my mind keeps tellin' me
The woman's got to give it up (give it up)

Oh-oh-oh, yeah
I'm feelin' good in my mind
My-my-my-my-my-my mind
Oh, yeah
My-my-my mind
Girl, oh yeah

But I'm tryin' to understand
If my love have a chance
Girl you're standin' on your own
Are you sure what you want?

But baby, my heart is reachin' out
Reachin' out for your love
Reachin' out for your love
Oh, my mind keep tellin' me
The woman's got to give it up (give it up)
She's got to give me
Keep on givin' it up

Just let the music play a little while longer
'Cause every time you play
It seem to make my body just a little bit stronger
Oh yeah, oh baby
Ohh

Baby, my heart is reachin' out
Reachin' out for your love
Reachin' out for your love
Oh girl, I just can't keep on reachin'
Unless you got to give it up (give it up)
Give it up (give it up)
Yes, give it up, ahh (give it up, give it up)
