

# (If You Want My Love) Put Something Down On It

**Bobby Womack**

Lordy, Lord  
Lordy, Lord  
Hmmm Hmmm

You know, on my side of town  
When you wanted something  
you had to put it in will call  
And that same thing applies  
to anyone that's looking for love  
And that's why I'm tellin' you

If you want my love -- baby --  
Put something down on it  
Put something down on it  
I know you're sad and you're lonely  
But you could use a little time on it  
by puttin something down on it

I can tell by the look in your eye  
you've been hurt by love before  
But that's the price you have to pay  
sometime's life is hard and rough  
But you can't give up.  
can't give up, can't give up

So, if you want this love un giving, honey  
you gotta put something down on it  
put something down on it  
[background sings:] spend a little time on it  
I know you're sad and you got to be lonely  
spend a little time on it  
spend a little time on it  
Put something down on it

And oooh, sometimes temp is just a little to much  
and with a touch a love -- how can ya give up  
you see the roads of life is hard and rough  
You might give in sometime  
but you can't give up --

Whoaaa

Be with me girl when my chips are down  
'Cause tomorrow the whole thing  
done turned around --  
And I can remember  
you were there -- when the chips were down  
chips were down

Ohhh!!

If you want my love, honey  
put something down it  
put something down it  
spend a little time on it

All ya gotta do, girl

ohhhh, ohhhh, baby  
[background singing:] put something down it  
put something down it  
spend a little time on it

There's a thing called love  
and it's has no boundary, right  
[background singing:] put something down it  
put something down it  
spend a little time on it  
It's Gotta be in your heart,  
and not just in your mind baby  
Ohhh baby  
Awwwww

You'll seek, and you shall find  
yes you'll find, yes you'll find  
in time in time

I think I'll make you my woman  
cause I gotta whole lotta time  
that I wanna use on it, baby  
I like what you do to me girl  
Awwww, Yeah  
[background singing with Bobby:] put something down it  
put something down it  
spend a little time on it

All ya gotta do is  
put something down on it -- Baby  
Awwwww
