

Searching For My Love

Bobby Womack

I'm goin' that road
(Searching, searching for my baby) I'm on a danger road
(Searching, searching for my baby)

I'm searching, searching for my baby
I'm searching, searching for my love
Searching for the one I adore

If I find her, you know that I will
I'll never, never, never, never, never let her go
No, no, no, no, no
(Searching, searching for my baby)

I wonder, I wonder why
You had to leave me this way (darlin')
I'm sorry, I'm sorry, darlin'
If I ever made you cry, believe me

Forgive me love, forgive me love
For the things I've done, believe me
Come on baby (come on, babe), come on baby (come on, babe)
Come on baby (come on, babe), give me one more try

'Cause I'm searching, baby (searching, searching for my baby)
Searching, searching for my love (searching, searching for my baby)
Searching, searching for my baby (searching, searching for my baby)
I'm searching, searching for my love (searching, searching for my baby)

If I find her, you know that I will
I'll never, never, never, never, never let her go
No, no, no, no, no, yeah

Forgive me, girl

I wonder, I wonder why
You had to leave me this way
I'm sorry darlin', I'm sorry, darlin'
If I ever, ever made you cry, believe me, oh baby

All you got to do is forgive me love, forgive me love
For all the things that I've done to you
Come on baby (come on, babe), come on baby (come on, babe)
Come on baby (come on, babe), won't you give me one more try?

I'm searching, baby (searching, searching for my baby)
Searching, searching for my love (searching, searching for my baby)
Searching, searching for my baby (searching, searching for my baby)
I'm searching for my love (searching, searching for my baby), you know what?

I've looked here and there (searching, searching for my baby)
But I can't seem to find my woman nowhere (searching, searching for my baby)
Searching, searching for my baby (searching, searching for my baby)
Searching, searching for my love (searching, searching for my baby)

She's got me lookin' from here to there (searching, searching for my baby)
She's got me lookin', lookin' everywhere (searching, searching for my baby)
I'ma keep on lookin' (searching, searching for my baby)

'Cause I got to, got to, got to find my girl
