

# So Baby, Don't Leave Home Without It

Bobby Womack

I got a feeling, baby  
I got a feeling  
Make sure you're losing me

Get me up before you head on up the door  
Pretty woman, just can't be ignored  
If I make it late for breakfast, it's alright  
When I wish you good morning, I don't wanna, I don't wanna say  
goodbye

So baby, don't leave home without it, listen  
Make sure you've had your share of love today  
No baby, don't leave home without it  
You see, it feels too good to let it just slip away

Listen to me  
Takin' home all love insurance policy (insurance policy, yeah)  
To give myself a little more security, listen to me  
A little bit of love goes a long, long, long way (goes a long,  
long way)  
And a dose of affection keeps temptation away, keep it away

So baby, don't leave home without it  
Make sure you've had your share of love today, make sure you've  
had it, baby  
No baby, don't, don't, don't go without it  
It feels too good to let it just slip away

Hold me close, turn me on  
Don't ever let that our romance is gone  
Would you do, would you do that  
Would you do it, would you do that  
Would you do (that to me?)  
Would you do it to me? I'm doin' it to you, baby

So baby, don't leave home without it  
Make sure you've had your share of love today, make sure, make  
sure you've had it  
No baby, don't, don't leave home without it, hey, hey, yeah  
It feels too good to let it just slip away

So baby, don't (don't leave home without it) without it  
(Don't leave, don't leave, don't leave)  
Oh baby, oh baby  
(No baby, don't leave home without it) no  
Oh yeah  
(Slip away)
