

Somebody Special

Bobby Womack

I, oh I
I wanna be somebody special in your life
Oh, hear me, girl
I, I just can't stand
Lord knows I just can't stand to hear you tell me no
Think about it twice

Do you know what, I
I wanna be the only man
That you'll let stand by your side
And oh, ah, can't you see
I wanna be your protector and your guard
And that's why I'm striving hard everyday, darling
'Cause, I
I wanna be somebody special in your life

Oh girl
And I just can't stand to hear you tell me no
Oh, darling, think about it twice
That's all you got to do
'Cause I know
Ninety-nine, ninety-nine and a half just won't do

One thing I know, it's gonna take a hundred
And I say I've been thinking of you darling, to see me through
And I get down on my knees and beg to you, darling
And oh I know
I know you know, I know you know I wanna be
Somebody special in your life

Ah, oh darling
It ain't no harm to moan sometime
Oh-oh
