

# Something You Got

**Bobby Womack**

Your love, I don't mind waiting for  
Your love, I don't mind waiting for

Something you got, baby  
Make me work all day  
Something you, something you  
Something you got, baby  
Make me bring home all of my pay

Something you got, baby  
You ought to know  
I said my, my  
Whoa, whoa  
I love you so

Something you got, baby  
Make me work all day  
I might go away sometime  
But I won't stray far away

Something because  
Something you got, baby, baby, baby  
You are in love  
My, my, whoa, whoa  
My, my, my, my, my, whoa  
My, my (my, my)  
Whoa, whoa (my, my)  
I love you so

Your love, I don't mind waiting for  
Your love, I don't mind waiting for  
Your love, I don't mind waiting for  
Your love, I don't mind waiting for

I don't mind waiting for

I don't mind waiting for

Something you got, baby  
Make me work all day  
Sometimes, I think about it  
I think about it  
But I don't wanna go away, no, no

Something you got, baby  
You ought to know  
You ought to know  
You ought to know  
My, my, my, whoa, whoa  
My, my, my, my, my, my, whoa  
My, my, my (my, my)  
Whoa, whoa (whoa, my)  
I love you so
