

## Less You Know

**Bobi Andonov**

To be the one to blame  
And it's way too much to fake  
It's better you don't sense my shame  
With your lips touch, I'll fade

You don't know the danger I'm in  
You won't cause a run of diving  
But you'll know cause my body ain't lyin

Oh, baby  
Don listen to me, baby  
Cause what you don't even care about me  
The listening that I've been there  
So you skip the plan  
I'm not talking to

I close my eyes to a raw night  
Pretending like she's you  
That's why I can't let your mind  
I wonder if you know  
You don't know the danger I'm in

You won't cause a wanna die then  
But, you'll not let my body get lyin  
The lost and your body faded  
Cause' but you don't look like we can't hide you  
There's something about it baby  
So let's get the plan for tomorrow

Oh, oh, oh, oh, ooh, ooh  
Ooh, ooh  
Oh, baby  
I'm the last one to pay

To pay and all of my, ooh  
Watch it today
