

# Beautiful Rain

BoDeans

Everything around this place  
Is comin' to a halt  
Nobody's pickin' nothin'  
It isn't anybody's fault  
There's nothin' to do but sit around  
Hurry up and wait  
Holy Mary shed a tear for us  
The hour is gettin' late  
I wanna see it rain  
I wanna see it rain  
I wanna see it rain, rain, rain  
A beautiful rain  
Life is drainin' from the fields  
Hope is runnin' dry  
A million dollars cannot buy one drop  
The clouds I see are only a lie  
The pickers can't afford the fare back home  
And they can't afford to stay yeah  
The president sent a man up here  
But there wasn't nothin' that he could say  
I wanna see it rain  
I wanna see it rain  
I wanna see it rain, rain, rain  
The beautiful rain  
I wanna see it rain, rain, rain  
A beautiful rain  
Forty days and forty nights  
Then there's forty more  
It's takin' a toll on everyone  
The mood is set for some kinda war  
Is it something that we do  
Tell me is it something that we said  
I'm wonderin' what the hell is wrong  
I'm gettin' a little bit afraid  
I wanna see it rain  
I wanna see it rain  
I wanna see it rain, rain, rain  
A beautiful rain  
I wanna see it rain  
I wanna see it rain  
I wanna see it rain, rain, rain  
A beautiful rain  
I wanna see it rain, rain, rain  
A beautiful rain  
I wanna see it rain, rain, rain  
A beautiful rain  
I wanna see a beautiful rain  
I wanna see a beautiful rain  
I wanna see a beautiful rain  
I wanna see a beautiful rain  
Rain! Rain! Rain!
