

# Blowin' My Mind

BoDeans

Some times girl i just shake my head  
To the things that put back your lips  
I just stare and smile  
Over a little while  
With my world at your finger tips  
Baby I'm amazed  
By the way you move  
With these everyday's ups and downs  
Super man girl  
When you turn my head  
The way you pick me up  
When I'm falling down  
I'm talking about the way you choose to love me  
Every time, super fine  
I'm talking about your rare mistakes and the way it takes  
So you pull my heart to the top each time  
It's blowing my mind yeah  
It's blowing my mind yeah  
Took a round in town  
Trying to see what I can find  
In this crazy ever day race  
Lost a lot of days  
In my messed up ways  
Trying to live up to the heart of face  
I'm talking about the way you choose to love me  
Every time, super fine  
I'm talking about your rare mistakes and the way it takes  
Until you feel my heart to the top each time  
It's blowing my mind yeah  
It's blowing my mind yeah  
I was sleeping in my bed  
Just dreaming in my head  
When it all came so clear to me  
Easy addition for man in my condition  
Like a simple melody  
Singing like a simple...  
Some times girl i just shake my head  
To the things that put back your lips  
I just stare and smile  
Over a little while  
With my world at your finger tips
