

Heart Of A Miracle

BoDeans

She'll do the dishes and wipe off the table
Make a fresh pot of coffee
Maybe light up a cigarette, yea
Go and sit on the front porch
Watch the sun going down, down
Holding hands with her new born baby
Lookee here what I've found
Welcome to, The Heart of a Miracle
Welcome to, The Heart of a Miracle
In any bar, any place
Where working men meet
"Hey boys, this rounds on me"
"Man that jukebox sounds so sweet"
"I've got some change, let's shoot some stick"
"Straight in, no slop" no
"Man this beer is going down so nice"
"Rack 'em up, i'm feeling hot"
Welcome to, The Heart of a Miralce
yeah, yea Welcome to, The Heart of a Miracle
You're traveling down a lonely road
With all you got on your back
You're feeling tired and hungry too
And the sky is turning black
September Wind is kicking in
Trying to put out the fire
Just then a trucker stops and ask ya
"Hey Man, do you want a ride"
Welcome to, The Heart of a Miracle
yeah, Welcome to, The Heart of a Miracle
yeah, yea, Welcome to, The Heart of a Miracle
Ooh, yeah, Welcome to, The Heart of a Miracle
Ooh, Ooh, Ooh, Ooh
Ride 'em down, Ride 'em down, ride 'em down, down, down,
Ooh yeah, yea
Ooh, Ooh, Ooh, Ooh
