

The Ballad of Jenny Rae

BoDeans

Hey

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Singin' baby
Singin' baby

Jenny Rae left me late last fall
Didn't say much she just left that's all
People tellin' me, she'll be back someday
Listen to the people, baby, what they say

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Singin' baby
Singin' baby

Time's gettin' tough, baby, time's gettin' hard
Workin' everyday but I don't get far
Tell you one thing, baby, love that's true
Is right here, baby, just a waitin' on you

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Singin' baby
Singin' baby

Don't say much about Jenny Rae
Most memories just a fade away
People tellin' me she'll be back someday
But, I never listen to what the people say

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Singin' baby
Singin' baby
Singin' baby
Singin' baby

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die

Baby, gotta love
Yes, I gotta love
Take me to the river
Till the river runs dry

Baby, gotta love
Yes, I gotta love
Ooh, I'm gonna love her
Till the day that I die
