The First Time

BoDeans

The first time that you do, something wrong
In the eyes of your brand new
Your brand new lover boy

You wanna hide
You wanna crawl under the table for a while
To decide if you should come out

The first time, always gonna be the first time
Always gonna be the worst time
Always gonna be the first time

The first time that you say, something stupid
At exactly the wrong time
Like when all of your friends are there

You wanna hide
You wanna crawl under the table for a while
To decide if you should come out

The first time, always gonna be the first time
Always gonna be the worst time
Always gonna be the first time

The first time that you see, swollen tears
Fallen from your babies eyes
And all you can do is apologize

You wanna hide
You wanna crawl under the table for a while
To decide if you should come out

The first time, always gonna be the first time
Always gonna be the worst time
Always gonna be the first time

The first time, always gonna be the first time
Always always gonna be the first time
Always gonna be the first time
Always always gonna be the first time
Always gonna be the first time
Always always gonna be the first time
Always gonna be the first time
