

## Ya Gotta Go Crazy

BoDeans

Desperate days were  
In my way yeah  
Seemed like they were  
Here to stay  
But I, found somebody to  
Lend a hand  
Pick me up, help me understand  
Sometimes when you're down, you're way down. Can't get up off t  
hat, cold hard ground, now I'm Standing up, an um feeling tough  
Feeling strong Mr all nightlong  
Whoacan't let you go  
WhoaNeed to let you know  
This time lord I just can't walk away  
Cuz I'm burning today  
So baby what you say  
Hey  
Oh come on come on ....  
Let's have some fun  
G5 to Maui sounds good to me  
Come on come on  
Let's get it on  
Sometimes you gotta go crä crazy  
Long ago there was, only me  
Stumbling through the mystery

Wandering from, town to town  
I was, lost alone, and broken down  
Whoacan't let you go  
Oh come on come on  
Let's have some fun  
Cold beers on the beach  
Kickin it San tropez  
Oh come on come on  
Let's get it on  
Sometimes you gotta go crä crazy  
Sometimes when you're, down you're way down. Can't get up off t  
hat, cold hard ground  
Now I'm Standing up and I'm  
On my way  
Life's for the living so baby what you sayHey  
Oh come on come on  
Let's have some fun  
Ain't this the land of the wild and free  
Oh come on come on  
Let's get it on  
Sometimes you gotta go crä crazy
