BODEGA

Can't believe in the fact that you have not heard that
Can't believe in the fact that you've never even heard about th
at

Whole oeuvre is BitTorrenting now

Later is bliss, but you better start from the beginning

They didn't use to do this number

I've never even heard 'em do this one

I once had an experience like no other

On downers and uppers

Was dosing in front of Last Supper

Public sex in 11th century Byzantine Macedonian

Blood like Dionysus, like Lord Henry from Dorian

No, no, no, no

Don't tell me that you've never even read that

You call yourself a lover of letters, but you've never even com
e across that?

I wish I was in your shoes

You get to experience this all for the first time
