

## How Can I Help Ya?

BODEGA

The employees of my ego, they're on strike  
Brothers and sisters, you know what it's like  
Tell all of my worries to take a hike  
Tell all your directors today

I'm playin' as an extra  
I'm playin' as an extra  
I'm so sick of playin' protagonist  
How can I help ya?

Benefit of the doubt, he's outside  
Brothers and sisters, lights will shine  
The harder you try, harder you die  
Tellin' all your voters today

Campaignin' as an extra  
Campaignin' as an extra  
I'm so sick of playin' protagonist  
How can I help ya?

I've so many things to offer  
I could paint your house and tell you why you should bother  
Been far too pressed with my own deeds  
Let's shoot your film, let's do whatever you please

I'm playin' as an extra  
I'm playin' as an extra  
I'm so sick of playin' protagonist  
How can I help ya?

The employees of my ego, they're on strike  
Brothers and sisters, you know what it's like

We're tellin' the professor today

I'm paintin' as an extra  
Just playin' as an extra  
I'm so sick of playin' protagonist  
How can I help ya?  
And I'm so sick of playin' protagonist  
How can I help ya?

How, how can I help ya? Woo-hoo  
How, how can I help ya? Woo-hoo  
How, how can I help ya? Woo-hoo  
How, how can I help ya? Woo-hoo
