

Shiny New Model

BODEGA

You will be replaced
By a shiny new model

People ask me, "Ben, what's the deal with all these ATMs?"
Well, have I not been thorough or clear or concise enough?
Tell me, don't you relate to the state of that silver sepulchre
?
Tell me, don't you feel used?
Buttons pressed in the back of bodega

In the aisle by the cleaning supplies
In the corner by the stale crackers
Yeah, you can increase up your service charge
You're competin' with a shiny new model (Swipe)
Yeah, you can increase, but you'll be replaced
By a shiny new model (Swipe)

Hey, I caught you staring at the plastic covered by a layer of
dust
It's said that every woman and man is a microcosm of lust
Exchange your data
Pray it will save you from a data dictator
It's said the people exploited just can't be avoided if your li
fe's enjoyed with

All the bottles and the stale Pringles
All the six-packs and the paper towels
Yet you give nothing expecting much
As you stare into your shiny new model (Swipe)
Yet you give nothing expecting to touch
As you stare into your shiny new model (Swipe)
Shiny new model (Swipe)
