

Rat trap  
They set 'em back  
We played and prayed  
To stain glass  
With our colored wax

Mic check  
But the king's in check  
We stood upon the rock  
As golden age had already set

Backbeat  
Beaten on my face  
Inherited the scrolls with goal  
To resurrect from fallen grace

Shoegaze  
At the window display  
Are new made tracks just here  
To help you bliss out  
When it's time to pay?

Being the best that you can be  
Means you need to know what makes you exceptional  
You need to know what makes you stand out  
Choose your favorite color, curate your personal brand  
The best personal brand has seamless flow with the corporation  
brand
