

## Stain Glaze

**BODEGA**

Rat trap  
Set 'em back  
Pray to a stain glass with your candle wax

Mic check  
Your king's in check  
Your mother always told you don't forget to set the clocks back

Mic check  
Bertolt Brecht  
Establish discourse between rock and pop and spec

Shoe gaze  
At a window display  
The captured tracks are there  
To help you bliss out when it's time to pay
