Philosophy of A. War

Andy said the best artist was businessman
And the best businessman is a cold blood killer
So it follows that the best artists are killers too
If you see a man dying note the color of his blood
And snap a picture

Form against everything
Everybody hurts and is against everything
Shape against everything
Have you heard of me?
Well then I guess you've heard of everything

Form against everything
Everybody hurts and is against everything
The scroll it is against everything
Search for stimulation playing dumb against everything

Yeah you can snap a picture
