

## Bum-Rush

## Body Count

Can't stop the bum-rush  
A million strong and we all bust  
We didn't fall prey to your bullshit lies  
Propaganda of twisted minds  
We figured out how it's all set up  
The object, keep us all split up  
Keep us fighting amongst ourselves  
While you accumulate all the wealth  
White on black, black on white  
Muslim hatred it's all hype  
Spread the terror, fear of war  
Billions spent on a fuckin' wall  
It's all twisted, the game is bent  
Still no clean water in Flint  
But we ain't asleep no more, we're woke  
Hear us comin', see the smoke

You can't stop the bum-rush!  
You can't stop the bum-rush!  
You can't stop the bum-rush!

Feel the power as we come  
As we all move as one  
If the street gangs could unite  
Cops gonna get real polite  
Politics, lies  
To conquer you must survive  
But we ain't asleep no more, we're woke  
Hear us comin', see the smoke

You can't stop the bum-rush!  
You can't stop the bum-rush!  
You can't stop the bum-rush!

Body Count!  
Body Count!  
Body Count!  
Body Count!

I'm not your enemy, you're not mine  
Those who don't listen are blind  
All together unstoppable  
Some may say impossible  
I believe, see the crowd  
Feel the power, hear the sound  
We ain't asleep no more, we're woke  
Hear us comin', see the smoke

You can't stop the bum-rush!  
You can't stop the bum-rush!  
You can't stop the bum-rush!  
You can't stop the bum-rush!

You can't stop the bum-rush!  
You can't stop the bum-rush!  
You can't stop the bum-rush!

Body Count!  
Body Count!  
Body Count!  
Body Count!

You can't stop the bum-rush!
