

# Not The Same

Bodyjar

Think of all the things I do  
And I still hold the thought of you  
With someone else I know its true so faraway

And I can only hold my breath  
And start to die a lonely death  
With you and me and all the rest so faraway

Don't say I told you so  
One thing you'll never know

You're not the same  
You've changed  
I don't need you anyway  
You're not the person  
That I believed in yesterday

You're not the same  
You've changed  
I don't need you anyway  
You're not the person  
That I believed in yesterday

I can't hold it back you see  
I know it all comes back to me  
You must have practiced hard to be so faraway

Never wanted me to show  
Just write me off I let you go  
And now there's more for you to know  
So faraway

Don't say I told you so  
One thing you'll never know

You're not the same  
You've changed  
I don't need you anyway  
You're not the person  
That I believed in yesterday

You're not the same  
You've changed  
Something's missing anyway  
You're not the person  
That I believed in yesterday  
That I believed in yesterday

Don't say I told you so  
One thing you'll never know

You're not the same  
You've changed  
I don't need you anyway  
You're not the person  
That I believed in yesterday

You're not the same  
You've changed  
I don't need you anyway  
You're not the person  
That I believed in yesterday  
That I believed in yesterday
