

# Abandonment

**Bodysnatcher**

You we're family dammit what happened to the bond that we share  
d  
You were plague of someone dead forward  
When your not part of anymore  
When I need yet you went off you turned your back on me  
You know what fuck you motherfucker you turned your fucking bac  
k on me  
Family doesn't mean shit to you and that's why your fucking dea  
d to me  
I was always there like a fucking shadow and you left  
There to have your back  
Time changes people  
People change, you were the prime example  
You are but a shadow whore you form myself  
I expected more from you don't try to just defy yourself  
I'll show you what I can be a true enemy  
This time you've abandon me
