

Open Wounds

Bodysnatcher

OUH

I've lived my life with my eyes nailed shut
And my mouth sewn closed not able to speak, for myself
For the first time in my life I'm standing on a mountain of POWER

HEAR ME SPEAK MOTHERFUCKER

ARGH

I believe in me
As it flows through my veins
I believe in me
As it flows through my veins

Leave my presence in fears this is my time to stand, as the black clouds recede over me
Leave my presence in fears this is my time to stand. I can finally see, I can finally SPEAK

I CAN FINALLY SPEAK
