

# Spineless

**Bodysnatcher**

All talk and no fight  
Where has your backbone gone?  
You're spineless

You're scum, nothing less, nothing more  
Once a friend, now a dead end  
You spit in my face  
Now keep your space

You're scum, nothing less, nothing more  
Once you you stabbed me in the back  
Don't expect to be forgiven [x2]

You'll get your day, one way or another  
(One way or another)  
You fucking lowlife, i hope that you suffer  
 Fucking suffer  
Suffer [x2]

There is a special place in hell  
For the heartless swine you are  
You fucking disgust me  
Ungrateful is an understatement  
You're not worthy of that title

No one will back you up  
No friends, no family  
No one left to swallow your shit
