

Suffering

Bodysnatcher

Bloodshot eyes and clenched fists
That's all you give for me
That's all you give for me
With my hands around your throat
My thumbs in your fucking eyes

Bloodshot eyes and clenched fists
That's all you give for me
That's all you give for me
With my hands around your throat
My thumbs in your fucking eyes

Swallow those teeth

Broken hands mean nothing to me
If that means that you are suffering

Bloodshot eyes and clenched fists
That's all you give for me
That's all you give for me
With my hands around your throat
My thumbs in your fucking eyes

Swallow those teeth
