Aj tu yaar mera
Kal tu mere naal nai
Pardes ch gora panda eny zimedariyan
Pul jandey we Desi sachiyan yaariyan nebaniyan
Par, Mere ton lelo saara Pesa Nasha Pyar
Minu dasdo oh kera jera mera sacha yaar
Jiney saada rehnda naal
Jiney manani nai haar
Jiney pith pichey karne nai waar
Mera naseeb mere modey te saleeb
Meri zindigi ch odan kini mushkilaan ajeeb

Friends - how many of us have them
Friends - ones you can depend on
Dear God would you please
Help me comprehend, I only wanted loyalty
And trust from all my friends
I'm living in a cold world lonely till the end
Used to love me now you hate me cause I'm rolling in the Benz
They can change all the time
Everybody wanna shine, got the game on my mind
I'mma stay on the ground
Life's about relations, patience, determination
Used to struggle locking the city down
Now am locking down the nation
All alone in the struggle and let me tell you what I'm facing
Let the fake ones come and go
But the real, you cant replace them
Desi hip hop kings
God give me the strength
Allow my enemies to see I'm livin' the life that's heaven 7
You ain't made for this lifestyle
This is my style rollin' around the world
Getting paid desi mobster
You ain't made for this lifestyle
This is my style rolling 'round the world singing my songs to them
