All my girls, always be careful of men
Since you're so naive
You open up to anyone
Even when flowers bloom, the world is a bit dark
But you smile widely
Like a young girl

Oh gosh, but it's weird, my heart keeps wavering
I'm a good obedient kid
I won't do it, I won't do it, oh I will

Like fire, when the light is on
The whole world gets warmer, I can't stand it
Like fabular, like a novel
I think I fell in love woo yeah

Let me love all day
Let me let me love all day
Is this a good thing?
Was it this kind of feeling? Oh God
Let me love all day
Let me let me love all day
Can't breathe, I want to fall in love
Oh oh oh

You break my heart and that's so painful
Even if my heart hurts
I don't want anyone to hurt me

Oh gosh, but it's weird, my heart keeps wavering
I'm a good obedient kid
I won't do it, I won't do it, oh I will

Like fire, when the light is on
The whole world gets warmer, I can't stand it
Like fabular, like a novel
I think I fell in love woo yeah

Let me love all day
Let me let me love all day
Is this a good thing?
Was it this kind of feeling? Oh God
Let me love all day
Let me let me love all day
Can't breathe, I want to fall in love

My flashlight, like the shining you
Makes the whole world warm, I can't stand it
Like fabular, like a novel
I think I fell in love woo yeah

Let me love all day
Let me let me love all day
Is this a good thing?
Was it this kind of feeling? Oh God
Let me love all day
Let me let me love all day
Can't breathe, I want to fall in love
