Boldy James

Backing up out of Delaware town
Backing up out of Delaware town
Backing up out of Delaware town
Hot as fuck but I'm well aware
Backing up out of Delaware town
Hot as fuck but I'm well aware
Stuffed her up like a Teddy bear
With so many blues in her derrière
Counted up ice hella clear
Big paw on me like it's Metal Gear
On her kicks Lisa bandaid , B22's she got every pair

Look me in my eyes when you kick it
Promise me that you will never lie
Promise you ain't ever testify
In a court of law as a eye witness
Tennis set with the sky dweller
All this ice is an eye catcher
Bad bitch out in Tribeca, triple threat she a trifecta
Celine bag with the jean jacket
Playin Patty, that's a \$100k
Run a play like a screen pass
Bra and panties, set down the camera
Lola Bunny she in love with carrots
Shit be obvious, it's apparent
Bought her all Louis Vuitton accessories
Just to complement what she wearin'
Picked her out a couple new pair of fitted jeans
Cause them bitches keep tearin'
All that ass out the bitch back
That explain why they keep starin'
VALKYRE selling out them gift wraps
Tryin' double up finna split the pair
Girl you know I got them big racks
Real Slumdog Millionaire

Louis Vuitton this, Louis Vuitton that
Richie lookin' like a chandelier
Handle hers like a boss bitch
Got all type of shit that she don't ever wear
Breaking down the 10-17, three diamond rings
Gucci man the flair
Tell them hoes wasn't in the gym with me
She reminded me that I was never there

Baby been with me, she be with it through the thick and thin with me
She a slim-thickie type to cop his and her twin Bentleys
None of these hoes wanna shoot, really wanna spin with me
If she struck gold for a few mil and split them Ms with me

None of these hoes wanna shoot pills to contend with me
Hundred free throws she was really shootin' in the gym with me
Baby been with me, she be with it through the thick and thin with me
From the free throw, you were really shootin' in the gym with me

Hate when she ask, 'Am I coming home?'
Know I'm in the zone with the big feet
Got some high lows for the ten feet
Got some Zabos for the Ken Griffey
From Chicago back to Sin City
Gucci poncho with the throscoe
Niggas been lit, double Ds on the chop
This bitch got big titties
Catch an opp from across the street
Knock his head off with a big streak
Bleed him like a dog in heat
Feelin' froggish leap, he think he Miss Piggy
Married to the mob
From the wrong side of the town where this shit get tricky
Better be the fuck out of Dodge
By the time I count to five Mississippi's
