Whattup doe, Trey-Fo'?  
Bruno, Bricks  
Costo, Free Lethal (2-2-7)  
Quezo, ConCreatures  
It's Game Time Mafia  
What else? (Griselda, Griselda)  
Let's get it (Uh-uh, uh)

Weigh the coke, beat the pot, scrape the bowl, bleed the block  
Eight below, steamin' hot, eighty-four Gs a top  
Boy and girl, best of both worlds, one-fifteen a G  
Auntie want a two for one, unky want a three and three  
Scale tweakin', bell ringin', phone slappin', twelve creepin'  
Answer that, told her, "Hit me back, I'm in a sales meetin'"  
All the splits on my profit share is non-negotiable  
All this money, can't even lie, got me kinda emotional  
West told 'em pray for Paris, London and Tokyo  
Gave 'em TPOT in China, now we shinin' in Kosovo  
Met Hov at Club Novo, man, this shit on the floor  
Might not know your one man but I know who I'm 'posed to know  
Six-four to the Mo', was me, Bose and Zoe  
Runnin' through the 6 with my woes, shoutout to Smoke and Joe  
Told cause to slow his roll, now he facin' ten  
In love with makin' prose, I ain't really into makin' friends  
Let's take a spin through the gutter where it's rainin' bands  
Man make the money, money don't make the man  
Thought he had me figured out, it's been a change of plans  
Risk vs. reward, I had to take a chance  
All the money I ran up came from shavin' grams  
Man make the money, money'll break a man  
Said he gon' take the hit, even if it break his chin  
Is you the type to stand up or you gon' take the stand?  
What else?

Tell him "Please", Sherry, he'll give it to you  
He ain't wanna give it to me, that's alright  
All you gotta do is say "Please"  
Nah, that's alright  
You ain't even said "Please"  
Man, we said "Please" all our life to white people, come on now  
Aww, hahahaha  
Only shit like that, man  
Alright, why you bein' racist, Sherry?  
I'm not racist, you said you was gon' help me, you gon' give me garbage  
Hahahaha, this is great  
You gonna give me garbage and you won't give me no change  
You want some change?  
Yeah, I need enough to go there and get me somethin' to eat  
Don't play with me, man, don't play  
It's change  
I need enough to get something to eat  
You need crack  
I don't, I swear I don't want no crack, man, I want something to eat, Dave  
Look, that, that's enough for a piece of pizza  
Yeah, right there, yeah  
Don't forget

Go the fuck home and get butt naked, I'll be there

Nasty

Get butt naked, she gon' see what, just how big your dick is

I ain't say that, hahaha
