

## Nu Wave

**Boldy James**

It's Blockworks  
Type to dump the dead then shoot off  
Get back on me  
Just make sure you have that cheddie right  
Let's get it (Uh)

When it ain't no pots in the kitchen  
The pot whippin', cook that dope in a skillet (Skrrt)  
Four and a midget, pushin' blow in the blizzard (Uh)  
Need them kilograms, ain't really concerned with the difference  
(No)  
Just for my personal interests, long as the work ain't no diffe  
rent (Consistent)  
Now we could either build a dam or we could burn a few bridges  
(Let's get it)  
Seen the raid van, make that left turn on Phillis (Skrrt)  
Get you old man Quilles, let it burn on niggas (Brr)  
Pray to God my right hand never turn no witness (Swear to God)  
Just to save face, was always first on business (Blocks)  
You probably can't relate if you ain't never served no chickens  
Hot as hell, swervin' in that Bentley Spur on sixes (Skrrt)  
Chinchilla mink, on the corner in my fur coat pitchin'  
Me and Double clam bakin', off the herbal, trippin' (Uh)  
Heard he was gettin' money, but I also heard bro snitchin' (Wha  
t else?)  
First come, first serve, first through the third, no dealings  
Mama, I apologize, ain't mean to hurt your feelings  
It's ConCreatures
