

Strange Days

Boldy James

I bear witness, there's only one God and Muhammad, blessing and peace be upon him, is his prophet. I dedicate this fight to my brother Darryl Baum, who died. I'll be there to see you, I love you with all my heart. All praise be to my children, um I love you

I seen some stranger days
And it's damn near too late for me to change my ways
Stashing all this guwap in that shoe box
For them rainy days
Making plays, all I ever knew
All of this revenue
We came from selling cane
Still left a stain from all that residue
Shadow on my lungs, still smoking
On the phone with my lawyer
Discussing custody battles for my Son
And my Baby Girl
Feel like I'm the only one can save this world
And teach her how a man supposed to love and not forsake his word and take it out of context
Stay faithful and be honest
If you noticed any change in his behavior and it's unclear
Nobody is for certain, it's just life I know it's unfair
Just hope he don't get too beside himself then that's why I'm here
Just know you always got me ready top and
Uncle Poppy
Feeling fast for something what's to happen all my brothers got me
Because I'm highly favored
My kit worth like half a Mill
I feel like Ali Vegas
Precise calculations
Pour up a Tracy for Lacy that's big salutations
Been going crazy I need a psychic evaluation
21 in my Nike tech full of ammunition
Buck 60 wet look like I suffer from malnutrition
What else

I'm the best ever. There's never been anybody as ruthless. I'm Sonny Liston, I'm Jack Dempsey, there's no one like-I'm from their cloth. There's no one that can match me. My style is impetuous, my defense is impregnable, and I'm just ferocious. I want your heart, I want to eat his children. Praise be to Allah
