

# Thousand Pills

Boldy James

Quarter brick Cubana cost a chicken, we be really bricking'  
Something like a vendor with them tenders and them finger-lickings  
Make you walk the plank, know my niggas take it overboard  
Concreature, drug zone, 76 overlord  
Hell block, Curtis curb-side 'til the service dry  
Southfield, raw still, north M-39  
First come, first serve, whoever was first in line  
Still servin' nines, work cleaner than some turpentine  
In the towers on the rooftop with the gargoyles  
Hit the powder with the woo-wop, he like it hardboiled  
Two zips in the pineapple Fanta, five hundred  
Me and cutty in that Dawn, blue Skittles, gettin' blunted

Thousand pills in the rented, in the hills gettin' money  
Sellin' grams for a hundred, niggas still gettin' fronted  
Caught up in the devil's lasso, shit is a hassle  
A natural, only nigga get the work through El Paso  
Thousand pills in the rented, in the hills gettin' money (Uh)  
Sellin' grams for a hundred, niggas still gettin' fronted  
Caught up in the devil's lasso, whippin' that pack for that cash flow  
(Uh)  
Only nigga with more bricks than a castle (Uh)

Four hundred thousand in the Panamera (Four hundred thousand)  
The water foggy white, but the pot clear (Woo)  
Threw the kilo off the ropes, hit it with the chair  
Once the money there, it get weird  
I had the feds tapdancin' in my ear before Rick Rubin had a beard (Wo  
o)  
Before Mac felt it in the air (Rrah)  
I had my youngin squeeze the MAC  
Snatch your spirit out of your Amiri (Brr), it's gettin' scary (Bah-  
bah-bah)  
Fourteen carat gold shovel when they bury you (When they bury you)  
These niggas all milk, no cereal (All milk, no cereal)  
If it's less than thirty-six Cheerios  
Please don't hit me, I been stayin' very low, clearly you know (Clear  
ly)  
Bein' this lit get you snitched on (It do)  
Bein' too greedy, get the whip wrong (It do)  
Forget about lil' bruh and 'em get you switched on  
Medusa crest on the chest got stitched on
