

## Cenotaph

**Bolt Thrower**

Alone you stand - The final parody  
Destined to silence - A memorial to mortality

Carved in stone - A tribute to the dead  
For nameless victims - Whose litany is unread

Never Forgotten - War's memory lingers on  
A dark reminder - To mankind's oblivion

This solemn image - Constructed with resolution  
A monument - To war's terminal conclusion

Cenotaph
