```
She seemed like an alright girl
And I was thinking just one night wont hurt
And I remember saying to her
I don't want to get much older.
```

So Long So Long

So Long

Always seem to be on the run We haven't spoken in so long We can't get past the how are you

We're not talking like we used to

So Long So Long

Always seem to be on the run We haven't spoken in so long We can't get past the how are you We're not talking like we used to

So Long
So Long
