

## The Giantess

Bombay Bicycle Club

Once is better than a life-time  
Once is better than a whole long side  
When you catch it in the humble life  
You can get it in the after  
You can hold it in the older while  
When the back of her  
You're so damn worked-over

Where's the lightning  
Where's the lightning  
Where's the lightning  
Now

Where's your finger's  
Where's your finger's  
Where's your finger's  
Now

He can taste it  
He can taste it  
He can taste it  
Now

Come and get it  
Come and get it  
Come and get it  
Now

Once is better than a life-time  
Once is better than a whole long side  
When you catch it in the humble life  
You can get it in the after  
You can hold it in the older while  
When the back of her  
You're so damn worked-over
