Cheated again 'cause I'm always too kind
Cheated again 'cause I was too blind
Cheated again, yeah, I fell for that one
Cheated again by your silver tongue

Cheated again, now don't, now don't give me no more
Cheated again, I should have, I should have known
Cheated again, now I'm sick to the bone

Oh, oh, now I know
I've seen your true colors
Now you're down so low
Oh, oh, now I know
I should have realized so long ago

Oh, oh, now I know
I've seen your true colors
Now you're down so low
Oh, oh, now I know
I should have realized so, so, so long ago

Oh, oh, now I know
Oh, oh, now I know
Oh, oh, now I know
