And we gotta funky song  
So come on, baby, sing along

Keepin' it thrilled, never coming out cheap  
Locked the door down just like kool keith  
Got mad bull, got the highest feet  
But the media bowl, it's just we can swing

Rock with they honeys and roll with the creeps  
Only sucker punks get treated like leech  
Down with the bomfunk you have to guarantee  
That we rock the crowd so viciously

Take a ride and watch the honeys
