(Super electric) (Super electric) (Super electric) (Super electric) (Super electric) Super electric sound (Super electric) From the underground (Super electric) Super electric songs (Super electric) Blasting through your ears As we break it down To the nitty gritty groove The bits and the beats An electric boogaloo Yes it is rocking The loop is always cool It never went away Just check out my moves Access from the very best On the decks yet The wonder boys gonna Get you more erect Access from the very best On the decks yet The wonder boys gonna Get you more erect Access from the very best On the decks yet The wonder boys gonna Get you more erect Access from the very best On the decks yet The wonder boys gonna Get you more erect (Super electric) Super electric sound (Super electric) From the underground (Super electric) Super electric songs (Super electric) Blasting through your ears We grew up from the sounds Our ghetto blaster was huge We're from the underground Of the city and the loose We're the baddest mistakes You meeting out there and cool Banging and scheming Trying to trash school Access from the very best On the decks yet The wonder boys gonna Get you more erect Access from the very best

On the decks yet
The wonder boys gonna
Get you more erect
Access from the very best
On the decks yet
The wonder boys gonna
Get you more erect
Access from the very best
On the decks yet
The wonder boys gonna
Get you more erect
