From the underground  
(Super electric)  
Super electric sounds  
(Super electric)  
Blasting through your ears

As we break it down to the nitty gritty groove  
The bits and the beats an electrical caloo  
Yes we be rocking, saluting old school  
It never went away, just check out my moves

Access from the very best on the decks yet  
The wonder boys gonna get you more erect

We grew up from the sounds, our ghetto blaster was huge  
We bombed the underground, the city and the roofs  
With the baddest mixtapes, you earned the ultimate cool  
Bam, DST, Mintronix, Crash Crew

We break, it down

All those classic breaks are still used today  
DJs spin the wheel go rock tha party  
Hype it up and vibe it up, stop hold it, play  
Calling all the boogie freaks to come right this way
