

# Just A Girl

Bomshel

(originally by No Doubt)

Take this pink ribbon off my eyes  
I'm exposed and it's no big surprise  
Don't you think I know exactly where I stand?  
The world is forcin' me to hold your hand

Oh, I'm just a girl, a little ol' me  
So don't let me drive late at night  
Oh, I'm just a girl, I'm pretty and petite  
So don't let me have any rights  
Oh, I've had it up to here

From the moment that I stepped outside  
So many reasons for me to run and hide  
And all those little things I hold so dear  
Well it's all those little things the I fear

Oh, I'm just a girl, a little ol' me  
So don't let me drive late at night  
Oh, I'm just a girl, I'm pretty and petite  
So don't let me have any rights  
Oh, I've had it up to here

And oh, am I makin' myself clear?  
Oh, I'm just a girl in the world  
Well that's all that you'll let me be

Oh, I'm just a girl, a little ol' me  
So don't let me drive late at night  
Oh, I'm just a girl, I'm pretty and petite  
So don't let me have any rights

Oh, I'm just a girl, a little ol' me  
So don't let me drive late at night  
Oh, I'm just a girl, I'm pretty and petite  
So don't let me have any rights

And oh, and I've had it up to  
Oh, I've had it up to  
Oh, I've had it up to here
