This Romeo is bleeding

H

But you can't see his blood

A

It's nothing but some feelings

C#mi

H

That this old dog kicked up

C#mi

It's been raining since you left me

H

Now I'm drowning in the flood

A

You see I've always been a fighter

C#mi

H

But without you I give up

C#mi

Now I can't sing a love song

H

Like the way it's meant to be

A

Well, I guess I'm not that good anymore

C#mi

H

But baby, that's just me

And I'll be there forever and a day - Always

I'll be there till the stars don't shine

H

Till the heavens burst and the words don't rhyme

A

And I know when I die, you'll be on my mind

Now your pictures that you left behind

H

Are just memories of a different life

A

Some that made us laugh, some that made us cry

C#mi

H

One that made you have to say good-bye

C#mi

What I'd give to run my fingers through your hair

H

To touch your lips, to hold you near

A

When you say your prayers try to understand

C#mi

H

I've made mistakes, I'm just a man

C#mi

When he holds you close, when he pulls you near

H

When he says the words you've been needing to hear

A

I'll wish I was him 'cause those words are mine

C#mi

H

To say to you till the end of time

In these loaded dice
