

# Army of One

Bon Jovi

I'm in this war  
But got no gun  
Still standing strong  
An army of one  
So sign me up  
I'm a soldier

I've got a voice  
that's all I need  
A beating heart inside of me  
I'm an army of one  
I'm a soldier

These eyes hold no disguise  
We're fighting for our lives  
We're all trying to get back home tonight

Never give up  
Never give up  
Never  
Never give up  
Never let up  
Ever  
Never give in  
You're an army of one

Never give up  
Never give up  
Never  
Never forget  
Where you're from  
Never give up  
You're an army of one

I can't hurt but I still feel  
I know that life's a battlefield  
When the times get tough  
I'm a soldier  
And when it's time to face the fight  
With just my shadow at my side  
I'm an army of one  
I'm a soldier

Never give up  
Never give up  
Never  
Never give up  
Never let up  
Ever  
Never give in  
You're an army of one

Never give up  
Never give up  
Never  
Never forget  
Where you're from

Never give up  
You're an army of one

So don't apologize  
Defend just being alive  
We're all trying  
To get back home tonight

Never give up  
Never give up  
Never  
Never give up  
Never let up  
Ever  
Never give in  
You're an army of one

Never give up  
Never give up  
Never  
Never forget  
Where you're from  
Never give up  
You're an army of one
