

Bed Of Roses

Bon Jovi

B **F**
Sitting here wasted and wounded at this old piano
B **F**
Trying hard to capture the moment this morning I don't know
Am **B**
'Cause a bottle of vodka still lodged in my head
F **B**
And some blond gave me nightmares I think she's still in my bed
C **F**
As I dream about movies they won't make of me when I'm dead
B **F**
With an ironclad fist I wake up and French kiss the morning
B **F**
While some marching band keeps its own beat in my head while we're talking
Am **B**
About all of the things that I long to believe
F
About love and the truth and what you mean to me
B **C** **F**
And the truth is baby you're all that I need
Dm **C** **B** **F**
I want to lay you in a bed of roses
Dm **C** **B** **F**
For tonight I sleep on a bed on nails
B **F** **B** **F**
I want to be just as close as the Holy Ghost is
Dm **C** **B** **F**
And lay you down on bed of roses
B **F**
Well I'm so far away that each step that I take is on my way home
B **F**
A king's ransom in dimes I'd give each night to see through this pay phone
Am **B**
Still I run out of time or it's hard to get through
F
Till the bird on the wire flies me back to you
B **C** **F**
I'll just close my eyes and whisper "baby blind love is true"

B **C**
R: This hotel bar hangover whiskey's gone dry
F
The barkeeper's wig's crooked and she's giving me the eye
B **C** **F**
I might have said yeah but I laughed so hard I think I died

(solo)

B **F**
Now as you close your eyes know I'll be thinking about you
B **F**
While my mistress she calls me to stand in her spotlight again
B **F**
Tonight I won't be alone but you know that don't mean I'm not lonely
B **C** **F**
I've got nothing to prove for it's you that I'd die to defend

R: This hotel...
