

Bells Of Freedom

Bon Jovi

Hmi **G**
I have walked all alone
D **A**
On these streets I call home
Hmi **G**
Streets of hope, streets of fear
D **A** **Hmi**
Through the sidewalk cracks time disappears

Hmi **G**
I was lost, on my knees
D **A**
On the eve of defeat
Hmi **G**
As I choked back the tears
D **A** **Hmi**
There's a silent scream no one could hear

Bridge:
G **A**
So far away from everything you know is true
G **A**
Something inside that makes you do what you got to do

R:
D **A**
Ring them bells, ring them loud
Hmi **G**
Let them ring here and now
D **A** **G**
Just reach out and ring the Bells of Freedom
D **A**
When your world's crashing down
Hmi **G**
Like you've lost every round
D
Stand your ground
A **G**
And ring the Bells of Freedom

Up the steps of the church, through the fields in the dirt
In the dark I have seen, that the sun still shines
for the one who believe

Bridge:
So far away, so full of doubt you needed proof.
Just close your eyes and hear the sound inside of you.
