

# Born to Be My Baby

Bon Jovi

Rainy night and we worked all day  
We both got jobs 'cause there's bills to pay  
We got something they can't take away  
Our love, our lives

Close the door, leave the cold outside  
I don't need nothing when I'm by your side  
We got something that'll never die  
Our dreams, our pride

My heart beats like a drum (all night)  
Flesh to flesh, one to one (and it's alright)  
And I'll never let go cause  
There's something I know deep inside

You were born to be my baby  
And baby, I was made to be your man

We got something to believe in  
Even if we don't know where we stand  
Only God would know the reasons  
But I bet he must have had a plan  
Cause you were born to be my baby  
And baby, I was made to be your man

Light a candle, blow the world away  
Table for two on a TV tray  
It ain't fancy, baby that's OK  
Our time, our way

So hold me close better hang on tight  
Buckle up, baby, it's a bumpy ride  
We're two kids hitching down the road of life  
Our world, our fight

If we stand side by side (all night)  
There's a chance we'll get by (and it's alright)  
And I'll know that you'll be live  
In my heart till the day that I die

Cause you were born to be my baby  
And baby, I was made to be your man

We got something to believe in  
Even if we don't know where we stand  
Only God would know the reasons  
But I bet he must have had a plan  
Cause you were born to be my baby  
And baby, I was made to be your man

My heart beats like a drum (all night)  
Flesh to flesh, one to one (and it's alright)  
And I'll never let go cause  
There's something I know deep inside

Cause you were born to be my baby  
And baby, I was made to be your man

We got something to believe in  
Even if we don't know where we stand  
Only God would know the reasons  
But I bet he must have had a plan

Cause you were born to be my baby  
And baby, I was made to be your man

You were born to be my baby  
And baby, I was made to be your man
