

Diamond Ring

Bon Jovi

Diamond ring, wear it on your hand
Its gonna tell the world, Im your only man
Diamond ring, diamond ring
Baby, you're my everything, diamond ring

Red, red rose brought it home to you
Blood red rose, tells me that you're true
Red, red rose, blood-red rose
Like a fire inside that grows, blood-red rose

When you're hungry, I will fill you up
When you're thirsty, drink out of my loving cup
When you're crying, I'll be the tears for you
There's nothing that I wouldn't do for you

When you're hungry, I will fill you up
When you're thirsty, drink out of my loving cup
When you're crying, I'll be the tears for you
There's nothing that I wouldn't do for you

You know, I bleed every night you sleep
Cause I don't know if Im in your dreams
I want to be your everything...

Diamond ring, wear it on your hand
Its gonna tell the world, Im your only man
Diamond ring, diamond ring
Baby, you're my everything, diamond ring
Darling, you're my everything, diamond ring
Now, youve got me on your string... diamond ring
