## **Diamond Ring**

Diamond ring, wear it on your hand Its gonna tell the world, Im your only man Diamond ring, diamond ring Baby, you're my everything, diamond ring

Red, red rose brought it home to you Blood red rose, tells me that you're true Red, red rose, blood-red rose Like a fire inside that grows, blood-red rose

When you're hungry, I will fill you up When you're thristy, drink out of my loving cup When you're crying, I'll be the tears for you There's nothing that I wouldn't do for you

When you're hungry, I will fill you up When you're thristy, drink out of my loving cup When you're crying, I'll be the tears for you There's nothing that I wouldn't do for you

You know, I bleed every night you sleep Cause I don't know if Im in your dreams I want to be your everything...

Diamond ring, wear it on your hand Its gonna tell the world, Im your only man Diamond ring, diamond ring Baby, you're my everything, diamond ring Darling, you're my everything, diamond ring Now, youve got me on your string... diamond ring **Bon Jovi**
