

# If That's What It Takes

Bon Jovi

I played the part of a broken heart upon a show  
I played that part so lonely and so well  
Thought that love belonged to someone else, not me and you  
Yeah, I know that you've been shattered  
You been bruised  
We both know what it feels like when you lose  
But I'd bet my life on a roll of the dice for you

If that's what it takes, that's what I'd do  
Tonight's the night, I'm gonna prove it to you  
Do I have to break down, baby just to break through  
If that's what it takes, that's what I'd do  
If that's what it takes...

I bet you counted all the tears I bet you've cried  
I bet you swore you'd never let love back inside  
'Cause it hurt you way too bad to say good-bye  
Now, there'll be times when I might put us to the test  
And it's hard for broken hearts to just forget  
But I'm driving blind, I'll lay it all on the line for you

If that's what it takes, that's what I'd do  
Tonight's the night, I'm gonna prove it to you  
Do I have to break down, baby just to break through  
If that's what it takes, that's what I'd do  
If that's what it takes...

So, when you feel like jumping  
Just when your heart starts pumping  
When you're stading out on that ledge-staring over the edge  
I'll be there to talk to you down  
I'll be there before you hit the ground

If that's what it takes, that's what I'd do  
Tonight's the night, I'm gonna prove it to you  
Do I have to break down, baby just to break through  
If that's what it takes, that's what I'd do  
If that's what it takes...

If that's what it takes, that's what I'd do  
If we take the time to do it right, I know we'll put through  
If it took all my life, I'd prove it to you  
If that's what it takes, that's what I'd do  
If that's what it takes...
