

Misunderstood

Bon Jovi

G D/F# Em
1. Should I? Could I?

D C
Have said the wrong things right a thousand times
C/B Am
If I could just rewind, I see it in my mind
If I could turn back time, you'd still be mine

2. You cried, I died
I should have shut my mouth, things headed south
As the words slipped off my tongue, they sounded dumb
If this old heart could talk, it'd say you're the one

Am C
I'm wasting time when I think about it

Em C G
R: I should have drove all night,
D/F#
I would have run all the lights
I was misunderstood

Em C G
I stumbled like my words,
D
Did the best I could

C Am
Damn, misunderstood

3. Could I? Should I?
Apologize for sleeping on the couch that night
Staying out too late with all my friends
You found me passed out in the yard again

G D/F# Em
You cried, I tried
D
To stretch the truth, but didn't lie

Am C
It's not so bad when you think about it

R: I should have...

C
Intentions good

Am C
It's you and I, just think about it...

Em C G
