

# Never Say Goodbye

Bon Jovi

**G**  
1. As I sit in this smokey room  
**Bm**  
The night about to end  
**F**  
I pass my time with strangers  
**C**  
But this bottle's my only friend  
**G**  
Remember when we used to park  
**Bm**  
On Butler Street out in the dark  
**F**  
Remember when we lost the keys  
**C**  
And you lost more than that in my backseat  
**G**  
Remember when we used to talk  
**Bm**  
About busting out - we'd break their hearts  
**F C F C**  
Toge ther forever

**G Bm**  
R: Never say goodbye, never say goodbye  
**C**  
You and me and my old friends  
**Cm**  
Hoping it would never end  
**G Bm**  
Never say goodbye, never say goodbye  
**C**  
Holdin' on - we got to try  
**Cm G**  
Holdin' on to never say goodbye

2. Remember days of skipping school  
Racing cars and being cool  
With a six pack and the radio  
We didn't need no place to go  
Remember at the prom that night  
You and me we had a fight  
But the band they played our favorite song  
And I held you in my arms so strong  
We danced so close we danced so slow  
And I swore I'd never let you go  
Together forever

R: Never say goodbye...

**G**  
I guess you'd say we used to talk  
**Bm**  
About busting out we'd break their hearts  
**F C F C**  
Together forever
